

Dear Jim,

Now that our extension is completed and we have time to enjoy it, we just want to say how pleased we are with your work. Without exception, all of your people did an outstanding job. John, the spackler, Joe, the marble man, Tommy, the electrician, Frank, the plumber, the air conditioning people, etc. were suburb. Special admiration goes to Hugh, whose artistic skills are noted every day we walk into the room or look at our deck. Your son, JP was a delight.

Overall, more than 35 people were involved with the project. You are to be commended. In this day and age when pride in ones work is difficult to find, you certainly excel.

Thank you for everything. Anytime you want to use us for a recommendation, please feel free to do so.

Yours truly

**Austin and Barbara Frishman**
