Dear Jim

We can not thank you enough for the renovation you have just completed on our beach house. The work that you have done is exceptional. Your staff is a pleasure to work with and your craftsmanship is second to none. You have taken a simple house and transformed it into a show place.

The cabinets that you custom made for us are the most beautiful and functional we have ever seen. The additional living space you have created within the existing structure is amazing. Your knowledge and input into the design was priceless. We could not have done it without you.

On top of it all you did the job when you said you would and for the price you said you could do it. What a shock! That never happens to us, THANK YOU.

Gerold Brothers is a company that you should be proud of. In today's world it is difficult if not impossible to find companies of your quality. What ever construction projects may be in our future plans they will always include Gerold Brothers.

Should any of our friends or relatives need your services we will be sure to send them your way and should any prospective clients need to talk to someone about the Gerold Brothers experience have them call us.

Thank you we love new our home
